- understand its contents; and
- understand that the IEC of Washington Catalog is not an agreement or contract for employment; and
- understand that the policies and procedures contained in the IEC of Washington Catalog may be changed by IEC of Washington from time to time and that any changes will apply to me; and
- understand that this catalog supersedes any prior catalogs or policy handbooks issued by IEC of Washington;
- was provided six (6) separate opportunities to complete this orientation (5 in person and 1 online) and I voluntarily elected to complete it online. As such, appearances before the Apprenticeship and Training Committee for violations of the Standards and policies of the IEC of Washington will not be looked upon favorably.

Further, I confirm that I have watched the IEC of Washington 2009-2010 School Year Orientation Video and understand its contents. I have been given an opportunity to ask questions regarding the contents of both the video and this catalog.
